#### BACKGROUND:

## Purchasing Policy Resort Village of Elk Ridge

#### 1. PURPOSE & OBJECTIVE

- 1.1 **Purpose** The purpose of this policy is to establish the parameters for the procurement of goods and services by the Resort Village of Elk Ridge (RV). The policy establishes the direction, philosophies, climate and values upon which the purchasing function must operate.
- 1.2 **Objective** The objective of the Purchasing Policy is to ensure that goods and services are acquired through a fair, open, transparent and competitive process that is effective and efficient, safeguards public funds, ensures Public and Supplier confidence and complies with all Federal and Provincial Trade Agreements while allowing the RV to receive the best value in the goods and services it acquires.

#### 2. DEFINITIONS

- 2.1 **Best Value** This is determined by looking at the factors that determine value such as quality, expertise, life cycle costs, aesthetics, past performance, schedule, vision, adequate resources and price to determine the proponent offering the best value to the RV.
- 2.2 **Qualified** Qualified means that the bidder has the expertise and ability, physically and financially, to supply or perform the goods or services tendered, bid or proposed, and whose past performance or references are satisfactory to the RV.
- 2.3 **Consulting and Professional Services** These are services provided by architects, engineers, designers, planners, accountants, auditors, appraisers, software and financial consultants and any similar types of services not specifically detailed above.
- 2.4 **Direct Award Contract** An agreement for the purchase of goods or services which has not been publicly advertised or for which written, telephone or electronic quotations have not been received from more than one vendor.
- 2.6 **Request for Proposals** (**RFP**) A RFP to vendors is more flexible in terms of a vendor's response to the required goods and services and evaluation criteria. RFPs do not necessarily tie firms to existing processes or rigid specifications, but rather may encourage new approaches,

techniques and methods for meeting the RV's requirements. RFPs will be awarded based upon a best value analysis of the proposals. An RFP does not create a bid contract and does not establish irrevocable requirements. Rather, a performance contract between the RV and successful proponent will be established in accordance with the RFP.

- 2.7 **Request for Quotations (RFQ)** A competitive process where specifications for the goods and services and terms of purchase are established in sufficient detail to allow the comparison of quotations from suppliers. Request for quotations shall involve obtaining quotations by invitation of three vendors where practical.
- 2.8 **Tender** A tender is a request to vendors with detailed specifications of the product or service requirement. Tenders are used for products and services that lend themselves to detailed and specific specifications which permits the evaluation against clearly stated criteria. The lowest qualified bidder meeting those specifications/criteria will be awarded the contract for the supply of those goods and services without negotiation. A tender is intended to create a bid contract. All tenders will be opened publicly.
- 2.9 **Change Order** A change order is work that is added or deleted from the original scope of work of an existing contract.

## 3. ACQUISITION POLICY

3.1 **Methods of Acquisition** – When the RV acquires goods or services, it shall do so through one of the processes outlined below:

## 3.2 Advertising of Tenders and Requests for proposals

- a)SaskTenders SaskTenders is a Provincial public tendering system and all public tenders and RFPs must be posted on this website.
- b)RV Website All public tenders and RFPs must be posted on the RV website.
- c)MERX MERX is a Canadian Public tendering system and all public tenders and RFPs may be posted on this website if deemed to be in the best interest of the RV.
- 3.4 **Trade Agreements** Municipalities are subject to the Canadian Free Trade Agreement (CFTA), the New West Partnership Trade Agreement (NWPTA) and the Canada- European Union Comprehensive Economic and Trade Agreement (CETA) and all subsequent amendments.

All municipal purchases except for those identified under exceptions and those below the prescribed dollar thresholds are subject to the rules and procedures required under these trade agreements and any amendments that may occur in the future.

#### 4. TENDER AND PROPOSAL ACCEPTANCE CRITERIA

- 4.1 The RV reserves the right to refuse any or all tenders, bids or proposals if:
  - a) The bid does not meet with the tender requirements, or the proposal does not provide the best value to the RV based upon the RV's evaluation criteria regardless of the price bid for the good or service;
  - b)The award price exceeds the approved budget;
  - c) The tender, RFP documents or specifications contain significant errors; or
  - d)The RV decides to cancel the tender or RFP and not proceed with award.

These rights must be included in the tender/RFP documents.

- 4.2 Subject to the rights and reservations contained in the RV's Purchasing Policy and tender documents, the RV shall accept the lowest qualified tender or bid meeting the RV's specifications for all tenders.
- 4.3 An RFP proposal will be awarded to the successful proponent at the RV's sole discretion if it demonstrates that the RV is receiving the best value based upon the evaluation criteria.

#### 5. EXCEPTIONS

- 5.1 The requirement for a Tender or RFP does not apply to the purchase of the following goods or services:
  - a) Utility contracts (e.g. telephone, power, etc.);

  - g)Legal Services; and
  - h)Treasury services or products (borrowing, lending, investing, managing money, securities or other property).

- 5.2 Purchase of goods and services for longer terms than normal budget approvals is permitted as long as the budgeted funding source is expected to continue and the total contract award does not exceed the expected budget over that period of time.
- 5.3 Cooperative purchasing arrangements with other organizations such as SUMA, Saskatchewan Government, or other municipalities will be allowed if the RV expects to receive a benefit from participation in the cooperative purchasing endeavour. The Purchasing Policy of the organization managing the cooperative purchasing process will apply.

#### 6. DISCLOSURE OF INFORMATION

- 6.1 The awarding of Tenders and the associated winning bid will be public information. The CFTA Trade Agreement provides the specific information that must be disclosed.
- 6.2 The RV shall not provide any supplier or contract information that would disclose proprietary information.
- 6.3 Where the CAO deems it appropriate, a debriefing session will be held for unsuccessful bidders/proponents after the contract award has occurred. The purpose of this debriefing session is to aid unsuccessful bidders/proponents in presenting a better bid or proposal for future submissions.

#### **RECOMMENDATION:**

Public Notice has been observed.

Approve the Purchasing Policy as presented.

The length of the appointment is determined by the municipality. This process ensures that each municipality has the opportunity for representation and one vote at Wapiti Annual General and Semi-annual meetings.
- 2. Each municipality is also entitled to appoint an alternate representative to the board. If the primary representative is unable to attend a Wapiti meeting, the alternate may attend, participate, and vote on behalf of the primary representative and municipality.
- 3. If there is a local library board in the municipality, the appointed municipal representative is also that municipality's representative to the local library board.
- 4. As officially appointed board members, it is the representative's responsibility to attend local library board meetings.
- 5. Immediately upon appointing primary and/or alternate representatives, the municipality must provide Wapiti with an official letter of appointment, written on municipality letterhead. The letter must contain: the name(s) of the appointed representative(s), mailing address, phone number, email address (if available), and length of appointment.

Hi Councillor,

Is the RV Council reviewing whether or not it should be a polling station for school board elections?

I'm not sure what the legislation and regulations around this are, or if it's a decision of the returning officer, just thought I'd raise it as election preparations are getting underway.

Please see the following. We have requested a polling station repeatedly in the past. Now that we are own municipality, it would be such an advantage and an important right to have a polling station here. The little hamlet of Spruce Home had a polling station in the last school trustee election and we had to go to Christopher Lake.

Marg

A large portion of subdivision 3 is comprised of resort communities, who do not hold their elections in sync with other rural municipalities. The municipal election for resort villages will be held Friday, July 27, 2024 while other municipalities will hold their elections on November 13, 2024. As such, this creates electoral unfairness - electors in rural municipalities have greater access to polling stations and democratic participation in the election of school trustees.

Saskatchewan residents who live in the federal park (ie. PANP) or on reserve (ie. Little Red) are not able to vote in municipal elections but may send their children to public schools without representation. They are not eligible to run in school board elections, either - this is disenfranchisement.

National parks and First Nations neighbouring Subdivision 3 whose populations are not eligible to vote in school board elections include:

Prince Albert National Park 325 Little Red Reserve 354 Wahpeton 309 Sturgeon Lake 1174 Montreal Lake 1113

(According to most recent Census data for total population)

All this to say, most voting age adults who reside in or are neighbouring Subdivision 3 in SRPSD do not have access to a local polling station for school board elections OR are ineligible to vote.

#### **RECOMMENDATION:**

Direct the CAO to apply for a Polling Station in Elk Ridge for the November 13, 2024 School Board Elections.

Date: March 14, 2024
